

Seaton Tramway's Young Carers Club

Sadly we can't launch our Young Carers Club while we are closed so we thought we would bring the club to you! We know that life is tough at the moment so here are a few fun activities to keep you going. Keep checking out our website for more new resources in the coming weeks.

A Special Journey

The photo below is of one of the trains that used to run along the branch line through Colyton and Seaton. The trains brought goods and people down to the Devon coast and were really important in helping the tourism industry to grow, bringing holidaymakers down to Seaton. What an exciting journey that must have been!

A Special Journey

Have you ever been on a special journey? Where did you go, how did you get there and why was it memorable? We'd love to hear all about your journey, so write about it or draw and label a picture here and email it to us at nicola@tram.co.uk.

If you can't remember a special journey, be creative and write about somewhere that you would love to travel to!

Here's one from our Learning and Activity Manager, Nicola:

I remember when I went to Perth in Australia to see my sister and her family. The journey took 20 hours and we had to travel on three very big planes. I remember watching lots of movies and feeling cross when two young men next to me started eating smelly noodles in the middle of the night when I was trying to sleep!

I remember when I travelled to ...
